According to the Labour Dept Memorandum
of 17th Jan. 41 to the Heads of Training Centres,
no trainee should be permitted to resign from
a training centre unless he first deposits in cash
the total amount of stipends drawn by him
upto date of resignation. The candidate was
a trainee in the Indian Institute of Science
and his permanent address is Mysore.
It is not known why the stipends were not
recovered earlier by the Head of the Training Centre

In this case, the party has paid the amount without any objection. But legally, the Govt of Mysore have no power to enforce the terms of the bond or agreement executed in favour of the Govt of India. The amount cannot be received as arrears of Revenue nor under any provision of the Criminal Procedure Code. The only remedy for the Govt of India is to file a suit on the undertaking in Mysore for the recovery of the sum due. The question may further be examined on a future occasion if the point should arise again.

Copy of memorandum from the Govt.of India, Dept. of Labour, to all Heads of Training Centres, No.TR273, dated the 17th June 1941.

Technical Training - Recoveries of stipends from trainees who voluntarily leave training centres.

A number of trainees have voluntarily left certain training centres after drawing their stipends for one or more months and doubt has been expressed as to how such cases should be dealt with. When a trainee enrols at a training centre he agrees to take the prescribed training and on completion of his training to enrol in the Indian Army Ordnance Corps or other technical branch of the Defence Services, or to accept such other employment in Ordnance factories or in civil industry as may be provided for him by the Governor General in Council, failing which he undertakes to refund to the Governor General in Council, the stipends paid to him. Every trainee is therefore under a definite obligation to complete his training or in default to refund the stipends paid to him by the Central Government. In the circumstances, no trainee should be permitted to resign from a training centre, unless he first deposits in cash the total amount of stipends drawn by him up to the date of resignation. If a trainee absconds or voluntarily leaves a training centre, he at once renders himself liable to refund the stipends drawn by him, and all such cases should be reported to the Labour Department of the Central Government to enable suitable action to be taken.

2. In sumbitting reports that trainees have absconded or left training centres without permission, Heads of training centres are requested to forward the signed undertakings of the trainees and to furnish the following particulars:-

(1) Name.
(2) Father's name.
(3) Permanent home address.
(4) Date of joining classes.
(5) Date of leaving classes.
(6) Total amount of stipends drawn.
(7) Other outstanding dues, if any.

3. It is to be noted that when a trainee is discharged for misconduct or any other reason, the stipends paid to him are not recoverable. Such cases need not therefore be referred to Labour Department, unless after adjusting all outstanding dues against the stipends payable to the trainee there is a balance to be recovered from him.

4. All vacancies caused by resignations, voluntary departures or discharges of trainees should be reported to the Chairman of the National Service Labour Tribunal or the President of the Selection Committee concerned, so that fresh candidates may be allotted.
